<u>UWCSEA IB Global Politics - Verification of Engagement Activity (MINDS)</u>

For each engagement activity that you undertake you must ensure that the following verification form is filled in and signed by an adult in a supervisory role. You should also aim to get at least one photo of the engagement (where appropriate). You should then take a photo of this document and upload it into your portfolio alongside your reflection on the engagement.

Date(s):	25/05/20 (email) 07/07/20 (call and email) 15/07/20 (call) 30/07/20 (call) 04/08/20 (call) 06/08/20 (interview and picking up annual report at Eunos centre)
Length of time involved in the activity:	3 hours
Description of activity:	Getting in contact with MINDS through several phone calls and follow up emails, ultimately leading up to an interview with Ms Donna Chia, head of MINDS Eunos and Tampines Training & Development Centre. I subsequently went to the centre at Eunos to collect the organisation's annual report.
Name of person in a supervisory capacity:	Ms Donna Chia
Comment regarding involvement by person in supervisory capacity:	I would like to acknowledge the many years of collaboration and community involvement provided by UWCSEA to support MINDS schools and centres. I had the pleasure in return to be of some assistance to UWCSEA student Miu Sato who patiently and faithfully follow-through on the telephone calls and emails to share about the details of her project. She carried herself confidently, is persistent and polite in all her attempts to get in touch with my staff and I. She made effort to carry out her research prior to getting in touch with us about the additional requirements to further substantiate her project.
